2.0 Legislation and Guidance

2.1 This policy based on guidance from the DfE on statutory policies for schools and academy trusts

2.2 We believe in the highest quality of provision for our students and we allocate resources appropriately and within guidelines to ensure that good value for money is achieved.

2.3 In accordance with the Education Reform Act of 1988 and in accordance with Sections 449 - 462 of the Education Act 1996 no charges are made to any registered pupil for any books, materials, equipment or apparatus used during school hours.

2.4 This Policy is based on advice from the Department for Education [DfE] on charging for school activities and the Education Act 1996, sections 449 to 462 of which set out the law on charging for school activities in England. Academies are required to comply with this Act through their funding agreements.

2.5 We apply the Charging and Remissions Policy in line with Section 457 of the Education Act 1996, which, for example, allows charges to be made for residential school trips and artefacts made in school and taken home.

2.6 Questions and queries about this Policy or discussions regarding the application of this Policy to an individual student can be addressed by contacting the Main School Office and enquiries will be dealt with in confidence by the Academy Business Manager.

6.2 Optional Extras

The School is able to charge for activities known as 'optional extras'. In these cases, the School can charge for providing materials, books, instruments or equipment.

The following are optional extras:

- Education provided outside of school time that is not part of The National Curriculum
- A syllabus for a prescribed public examination that the pupil is being prepared for

at the School

- Examination entry fee[s] if the registered pupil has not been prepared for the examination[s] at the School
- Transport [other than transport that is required to take the pupil to school or to other premises where the local authority/Governing Board has arranged for the pupil to be provided with education]
- Extended day services offered to pupils [such as breakfast clubs, after-school clubs, tea and supervised homework sessions]

When calculating the cost of optional extras, an amount may be included in relation to:

- Any materials, books, instruments or equipment provided in connection with the optional extra
- The cost of buildings and accommodation
- Non-teaching staff
- Teaching staff engaged under contracts for services purely to provide an optional extra [including supply teachers engaged specifically to provide the optional extra]

- 6.3 Any charge made in respect of individual pupils will not be greater than the actual cost of providing the optional extra activity, divided equally by the number of pupils participating
- 6.4 Any charge will not include an element of subsidy for any other pupils who wish to take part in the activity but whose parents are unwilling or unable to pay the full charge
- 6.5 In cases where a small proportion of the activity takes place during school hours, the charge cannot include the cost of alternative provision for those pupils who do not wish to participate
- 6.6 Parental agreement is necessary for the provision of an optional extra, which is to be charged for

7.0 Voluntary Contributions

- 7.1 The School believes that no student should be disadvantaged as a result of home or family background circumstances and apply a Remissions Policy. The Headteacher and Governors may remit some charges in part or in full as reasonable in particular individual circumstances
- 7.2 Pupils will not be treated differently according to whether or not their parents have made any contribution in response to the request or invitation. However, where there are not enough voluntary contributions to make the activity possible, then it will not take place.
- 7.3 Curriculum Areas can seek support for students via their Line Manager for activities, which would normally incur a charge according to the Policy.

8.0 Specific examples of how this policy may be applied

8.1 School Trips and Visits

Day Trips: No charge will be levied in respect of day trips that take place during school hours, which are an essential part of the curriculum or an examination requirement.

Residential Trips – Essential: For residential trips which are essential to the National Curriculum, Statutory RE or in preparation for prescribed examinations a charge will be levied for board and lodging.

Residential Trips – Non-essential: For residential trips which are not essential to the National Curriculum, Statutory RE or in preparation for prescribed examinations:

- a. if the amount of school time on the trip is less than half of the total time of the trip, a charge will be levied up to the full cost of the trip;
- b. if the amount of school time on the trip is half or more of the total time of the trip, a charge will be levied for board and lodging.

8.2 Examination Entries

A charge will be levied in respect of examination entries for students where the School has not prepared the pupil for the examination.

A charge will be levied in respect of examination entries for students where the School has prepared the student for the examination and it considers that for educational reasons the student should not be entered and the student's parent/carer wishes the student to be entered [or the student him/herself when over 18 years old]. In these circumstances, if the student subsequently passes the examination, the School may refund the cost of the examination entry.

A charge may be levied for students re-sitting an examination.

A charge will be levied where a student fails, without good reason, to complete the requirements of any public examination where the School paid or agreed to pay the entry fee.

The charge levied above will be the cost of the examination entry.

Attendance and Exam Entry

In line with DFE guidance, the School will consider not paying the exam entry fees of any Post 16 student with overall attendance under 90%, unless there are reasonable extenuating circumstances

8.3 Materials and Textbooks

In some subjects, additional revision guides are available, for which a charge is made.

Where a pupil or parent wishes to retain items produced as a result of art, craft and design, or design and technology, a charge may be levied for the cost of the materials used. In the case of Food Technology, pupils usually provide their own ingredients.

8.4 Out of School Activities

No charge will be made for activities outside school hours that are part of the National Curriculum or Religious Education, or that form an essential part of the specification for an approved examination. For all other activities outside school hours, a charge up to the cost of the activity will be levied.

9.0 Damage/Loss to Property

- 9.1 A charge will be levied in respect of willful damage, neglect or loss of school property [including premises, furniture, equipment, books or materials]. The charge will be the cost of replacement or repair, or a lower cost may be set at the decision of the Headteacher. A charge will be levied in respect of willful damage, neglect or loss of property [including premises, furniture, equipment, books or

materials] belonging to a third party, where the cost has been recharged to the School. The charge will be the cost of replacement or repair. A lower cost may be set at the decision of the Headteacher.

10.0 Other Charges

10.1 The Headteacher, Finance and General Purposes Committee or the Governing Body may levy charges for miscellaneous services up to the cost of providing such services, e.g. for providing a copy of an OFSTED Report.

11.0 Remissions Policy

11.1 The Headteacher, Finance and General Purposes Committee or Governing Body may decide not to levy charges in respect of a particular activity, if it feels it is reasonable in the circumstances. Complete remission of any charges for board and lodging for a residential trip will be made if:

- a) The education provided on that trip cannot be charged for
- b) Those who are likely to be eligible for remissions include those parents who receive:
 - Universal credit in prescribed circumstances
 - Income Support
 - Income Based Jobseekers Allowance
 - Free School Meals
 - Income-related Employment and Support Allowance
 - Support under part VI of the Immigration and Asylum Act 1999
 - Child Tax Credit, provided that Working Tax Credit is not also received and the family's income [as assessed by Her Majesty's Revenue and Customs]
 - The guarantee element of State Pension Credit
 - An income related employment and support allowance that was introduced on 27 October 2008 which has been replaced by Universal Credit.

12.0 Monitoring Arrangements

12.1 The ABM monitors charges and remissions and ensures these comply with this policy. This Policy will be reviewed by ABM, annually. At every review, the policy will be approved by Finance and General Purpose Committee with the Headteacher.

DAMAGE OR BREAKAGE: Where, as a result of a pupil's unsatisfactory behaviour, damage to school equipment, materials or property occurs, a charge is levied to enable the damage or breakage to be made good.

SCHOOL MINIBUS: As the school does not have a permit under Section 19 of the Transport Act 1985, no charges can be made for travel in the school minibus. Where the minibus is used for part of an activity for which a voluntary contribution has been requested, part of the voluntary contribution may be towards the travel costs. The school may loan the minibus to other educational establishments and similar 'not for profit' organisations. At the discretion of the Headteacher a voluntary contribution may be requested in such circumstances. In any event the group concerned would be required to indemnify the school for any loss or damage to the vehicle [including any insurance policy excess] occurring whilst the vehicle is in their control.
